UX/Product: User Research · User Flows · User Journeys · Information Architecture · Wireframing · Prototyping · Usability Testing · Heuristic Evaluation · Heatmaps
UI: UI Design · Design Systems · UI Kits · Responsive Design · Component-Based Design
Tech: Figma · Adobe Creative Cloud · Tailwind CSS · React.js · Next.js · GitHub · Vercel
AI: Claude · Cursor · MCP · AI-assisted Design & Development

EXPERIENCE

Senior UX/UI Designer Jan 2024 – Present · Remote
eria.ai

- End-to-end design of **multiple digital products for different clients**, from conceptualization and research through implementation, deployment, and launch.
- Creation of **wireframes, user flows, user journeys, information architecture, and high-fidelity prototypes**.
- Execution of **usability testing, heuristic analysis, and heatmap analysis**, iterating products based on findings and feedback.
- Creation and evolution of **Design Systems and UI Kits**; cross-functional collaboration with development, marketing, creatives, and stakeholders, including implementation with Tailwind CSS, React/Next.js, and AI tools.

UX/UI Developer · Web & Brand Design Jun 2019 – Jul 2025
Artium

- Designed and developed **Artium Online** from scratch, a music education web platform, defining information architecture, navigation, and user experience.
- Designed **60+ screens**, wireframes, and interfaces, and conducted usability testing and product iterations.
- Created the visual system, brand identity, and digital assets, collaborating with educators, musicians, and the sales team.

UX/UI Developer & AI Content Quality Apr 2025 – Mar 2026
Cruz Creative Media

- Designed and developed an **internal tracking tool** to manage the progress of **300+ episodes** within the content review workflow.
- Defined information architecture, states, hierarchies, and progress visualization to centralize and simplify the operational process.
- Combined UX/UI development with **AI-generated audiovisual content QA** in English and French.

EDUCATION

B.A. in Graphic Communication Design 2017 – 2021
UAM Azcapotzalco
